| | DESCRIPTION | ACTION BY | DATE |
| | President Mr. Pradeep Bhatia welcomed all the UWA Members attending AGM after which a two minutes silence was observed in memory of the fallen martyrs of Indian CRPF forces at Pulwama. In his address the President emphasized on the need for the Urbanites to stand united and that UWA is doing their best to build a spirit of brotherhood. A lot has been achieved in the tenure of this committee and the full activity report was submitted by the Secretary. | | |
| | Activity report of UWA during their tenure 2018-19 Secretary Mr. Uday Shankar Mukhopadhyay gave an audio visual presentation of the achievements and works undertaken by this committee. The following points was raised by members and clarified. Formation of Owners Association | | |
| | UWA clarified that the Association can be Registered only after 51% owners register their Apartments. However Mr. Subir Chaki pointed out that without 51% registration can be achieved as per new Hosing Society law. UWA will look into the same. | | |
| | Water Quality Members appreciated the initiative taken by the Association towards improvement of water quality. In the first phase the issue of the high Iron content is being addressed. M/s Ion Exchange has been given the contract for addressing the issue and we are assured of Iron Free Water by Mid March. | UWA VOLKAT | \$550CI |

ACTION LIST OF MINUTES OF MEETING

| Guest Car parking It was suggested that there should be stricter enforcement of Car Guest Parking rules. It was emphasized that Residents should not park their vehicles in the guest car park area and clamping and fines should be strictly enforced to discourage the residents from parking their vehicles in the Guest Car Park. UWA will follow up the matter with BNRI. Tenure of UWA It was suggested by members that the tenure of UWA should be for a minimum period of 2-3 years. UWA noted the suggestion but not concluded in meeting. Waste Management Residents suggested having a effective waste management by segregating the bio degradable and recycling waste. UWA informed that they are already working on it. Garbage chute The members were enquiring why the garbage chutes are not yet operational. At present garbage chutes is not being used because of the fear that with interior work going on in many apartments the contractors may throw the heavy construction rubbish in the garbage chutes which may in turn damage the garbage chutes However it was suggested that the garbage chutes may be made operational after 8.00pm. Increasing of CAM Charges Recently BNRI Notified that CAM charge will be increase from | Page 3 / 4 |
